## Capsule Drinks Machines

Delight in individual, modern designs as well as sophisticated technology, for that café experience at a touch of a button.

For us, everything revolves around taste, and as tastes differ, we offer an impressive range of machines. Each of them has its very own, stylish character.

What distinguishes them all, however, is their high technical standard, one which guarantees coffee shop quality and comfortable operation.

# Matting

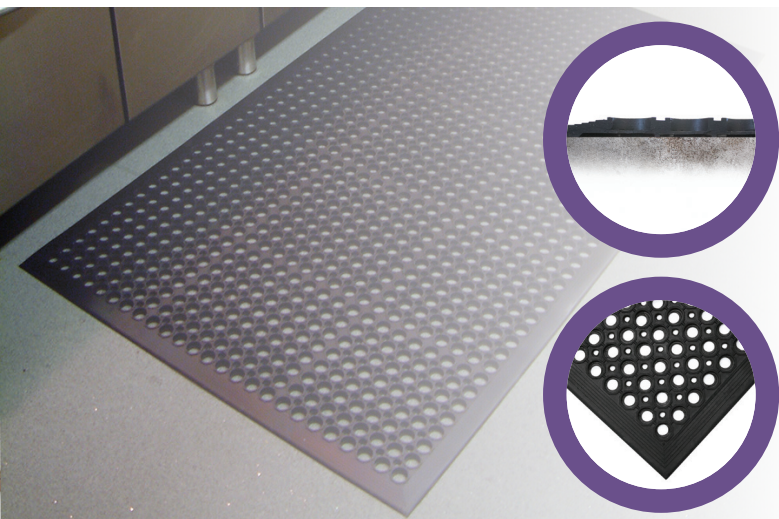

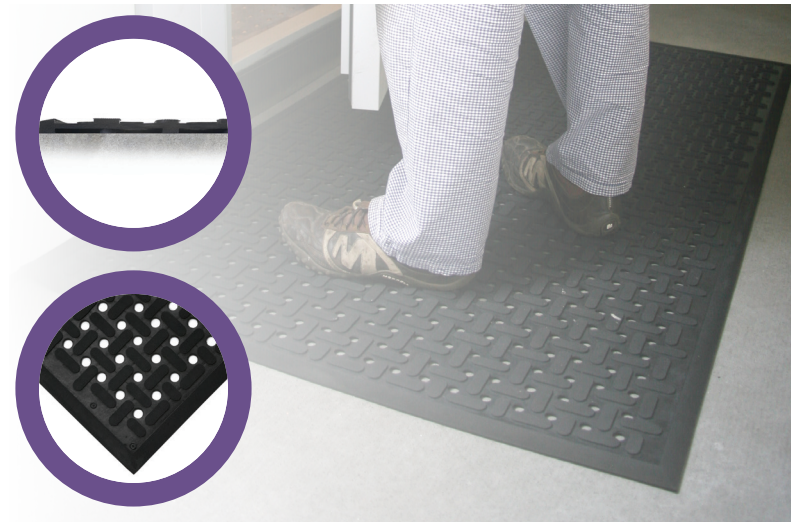

## COBAscrape

- Heavy-duty 100% nitrile doormat
- Ideal for wet, greasy or oily conditions
- Raised pattern scrapes dirt and retains water
- Holds up to 2.6 litres water/m<sup>2</sup> or 1.5kg of dry dust/m<sup>2</sup>
- Helps to reduce the risk of slipping on wet floors
- Machine washable
- Suitable for outdoor and indoor use
- Safety bevelled edging as standard
- Made from Nitrile rubber
- Available in 4 sizes: 0.85m x 0.75m, 0.85m x 1.5m, 0.85m x 3m and 1.15m x 1.75m

## K-Mat

- 100% nitrile mat
- Excellent resistance to grease, oils, fats and detergents
- Machine washable
- Ideal for food processing/manufacturing areas
- \_Cross-grip\_ surface for exceptional slip-resistance
- Open holes for efficient drainage
- Effective anti-fatigue properties
- Hygienic anti-microbial properties
- Easily cleaned in a commercial washing machine
- Size: 0.85m x 1.5m

## High-Duty

- Manufactured from a blend of natural SBR rubber and nitrile
- Standard edged all round mats or interlocking modular sections
- Provides both slip-resistance and fatigue-relief
- Raised circular surface gives excellent underfoot grip
- Conforms to Slip Resistance Test EN 13552 Category R10
- Spilt liquids drain through open drainage holes
- A comfortable alternative to cold hard floors
