HYGIENE GROUP

Local service. National network. International strength.

The Nationwide Hygiene Group service the UK and Ireland and are part of Europe's largest provider of cleaning, catering and hygiene products & services.

The Nationwide Group have supported & serviced the UK hygiene products and services sector since 1986.

The Group manages national customer ordering and invoicing centrally through it's Head Office operation, with products and services supplied locally through our extensive network of 35 branches. Further afield the group extends to over 300 operations across 35 countries in Europe, the Middle East and Australasia, through it's joint venture investment in INPACS GmbH.

Nationwide's International capability is founded on local group member businesses which share common service goals and philosophies. All group operations around the world are owner managed with a principal decision maker on hand to ensure that customer product and service requirements are satisfied locally.

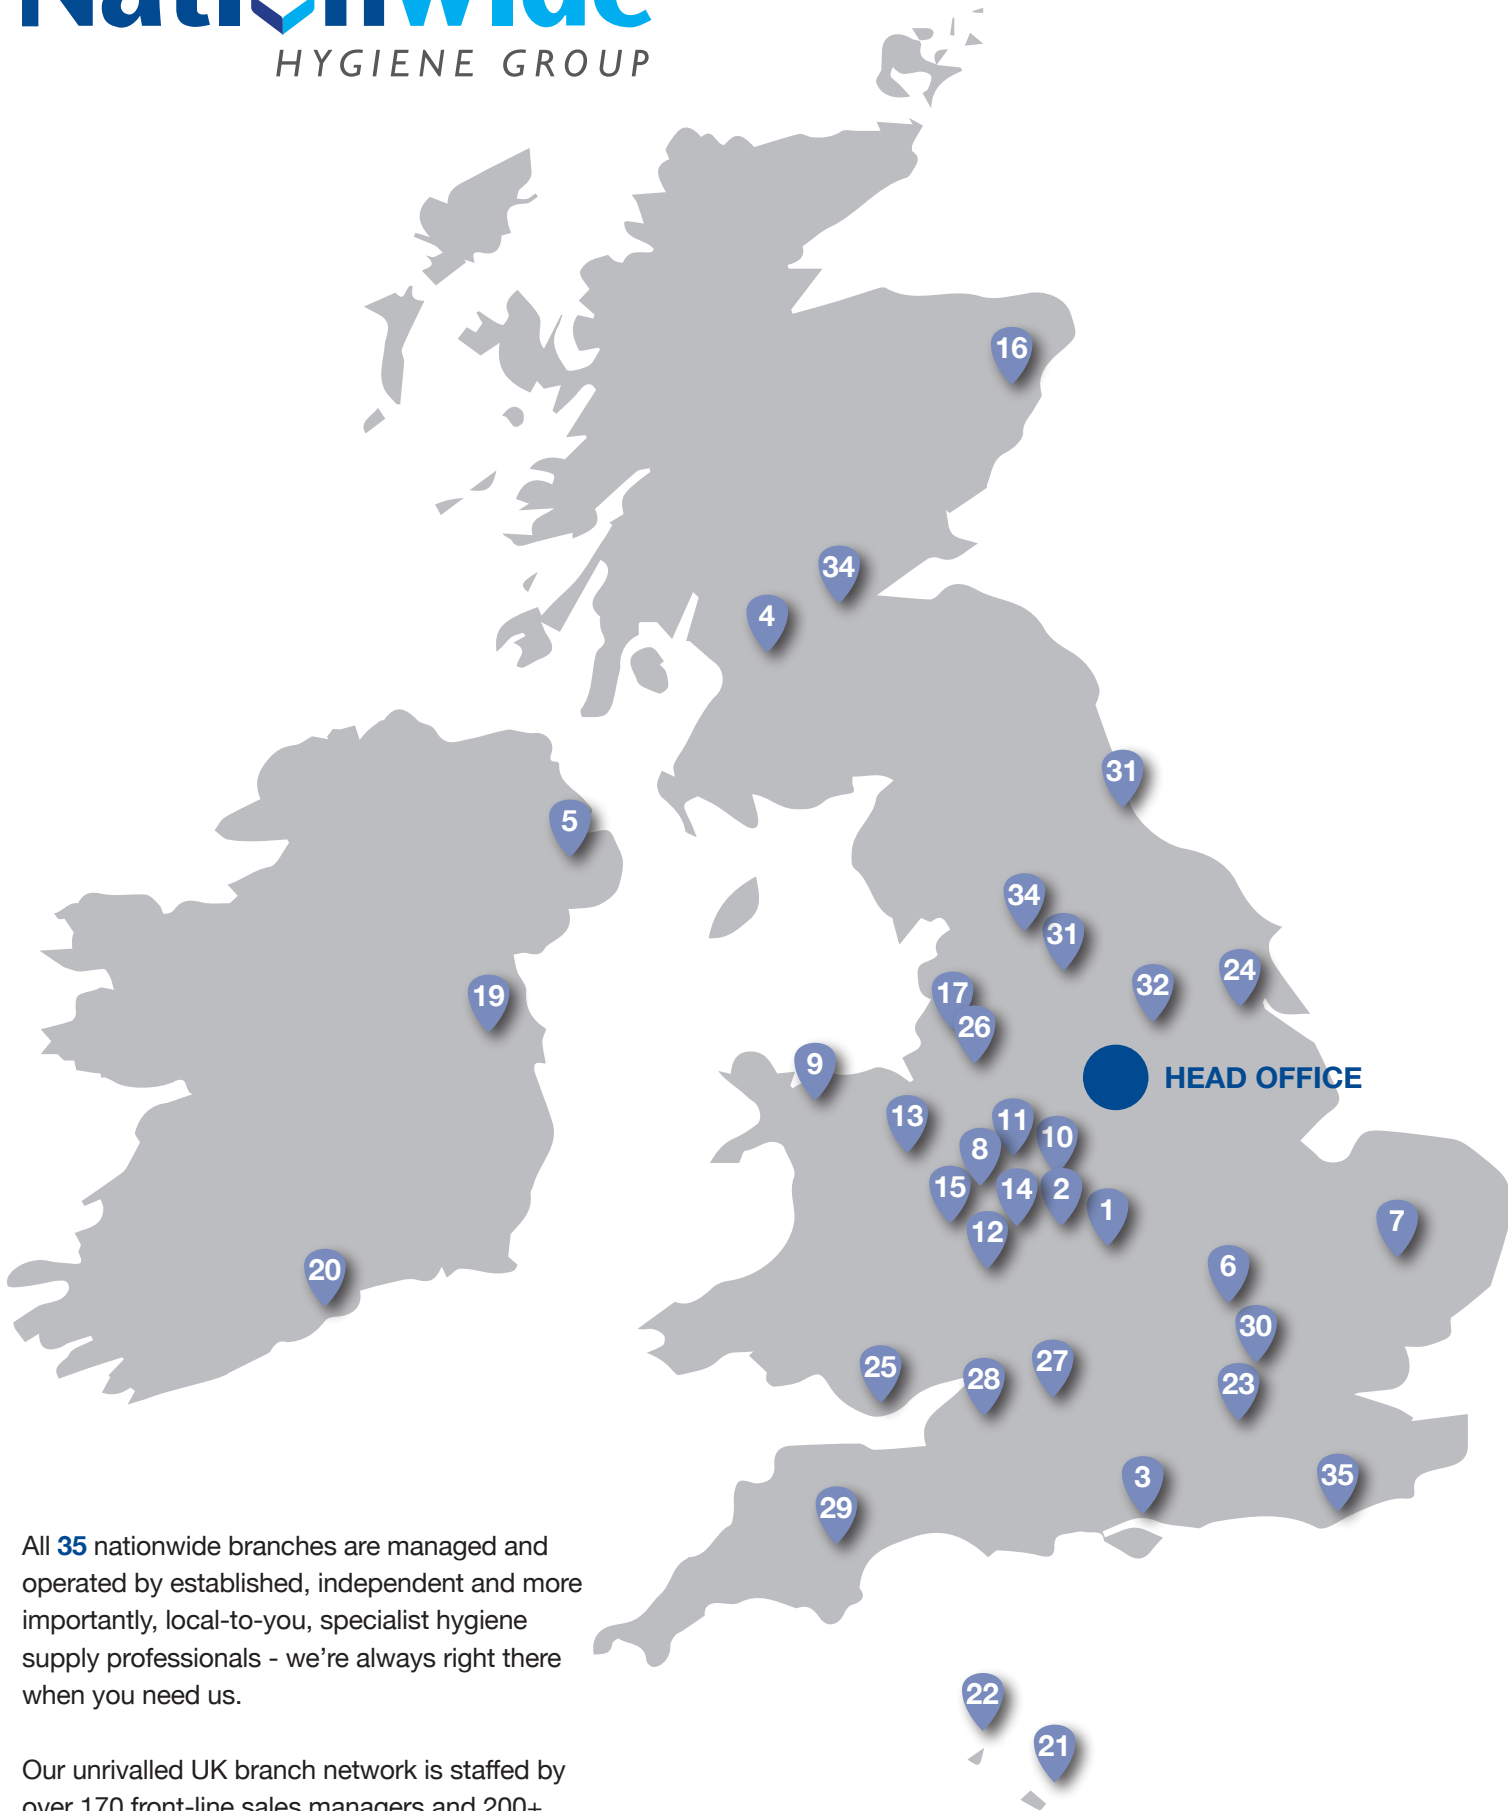

How Nationwide can help you

Through modern systems, experience and expertise, we specialise in introducing service and product innovations that deliver significant efficiencies and cost savings across entire cleaning, catering & hygiene programme spends.

Working with Nationwide will reduce management work load through tailored management information systems delivering new levels of managerial control and oversight.
